Steel Dynamics®
Steel Dynamics Foundation, Inc.

LETTER OF INTENT TO REQUEST A STEEL DYNAMICS FOUNDATION GRANT APPLICATION

Step 2 (This is not the Grant Application.)

- **Provide all information on this form.**
- **Include your organization's 501(c)(3) letter.**

Mail or email the completed form directly to the Steel Dynamics facility in your local area.

To locate the facility near you, visit the Steel Dynamics website: https://steeldynamics.com/company/contact-us/

Managers at the Steel Dynamics facility near you will review your letter of intent.
Based on the level of support for your organization from the local facility and their employees, management will decide whether to forward to the Foundation for a possible grant application, hold for consideration of a donation from their facility, or decline the request. (Not all letters receive a response due to the number submitted.)

If your letter of intent is forwarded to the Foundation, you may be sent the Steel Dynamics Foundation Grant Application via email**,** to complete and return, with all required documents, including financials, directly to the Foundation. (You will receive a reply only if your request for funding will be considered at this time.)
